

**MALAYSIA INTERNATIONAL CONSTRUCTION &
INFRASTRUCTURE TECHNOLOGY EXHIBITION**

Co-located:

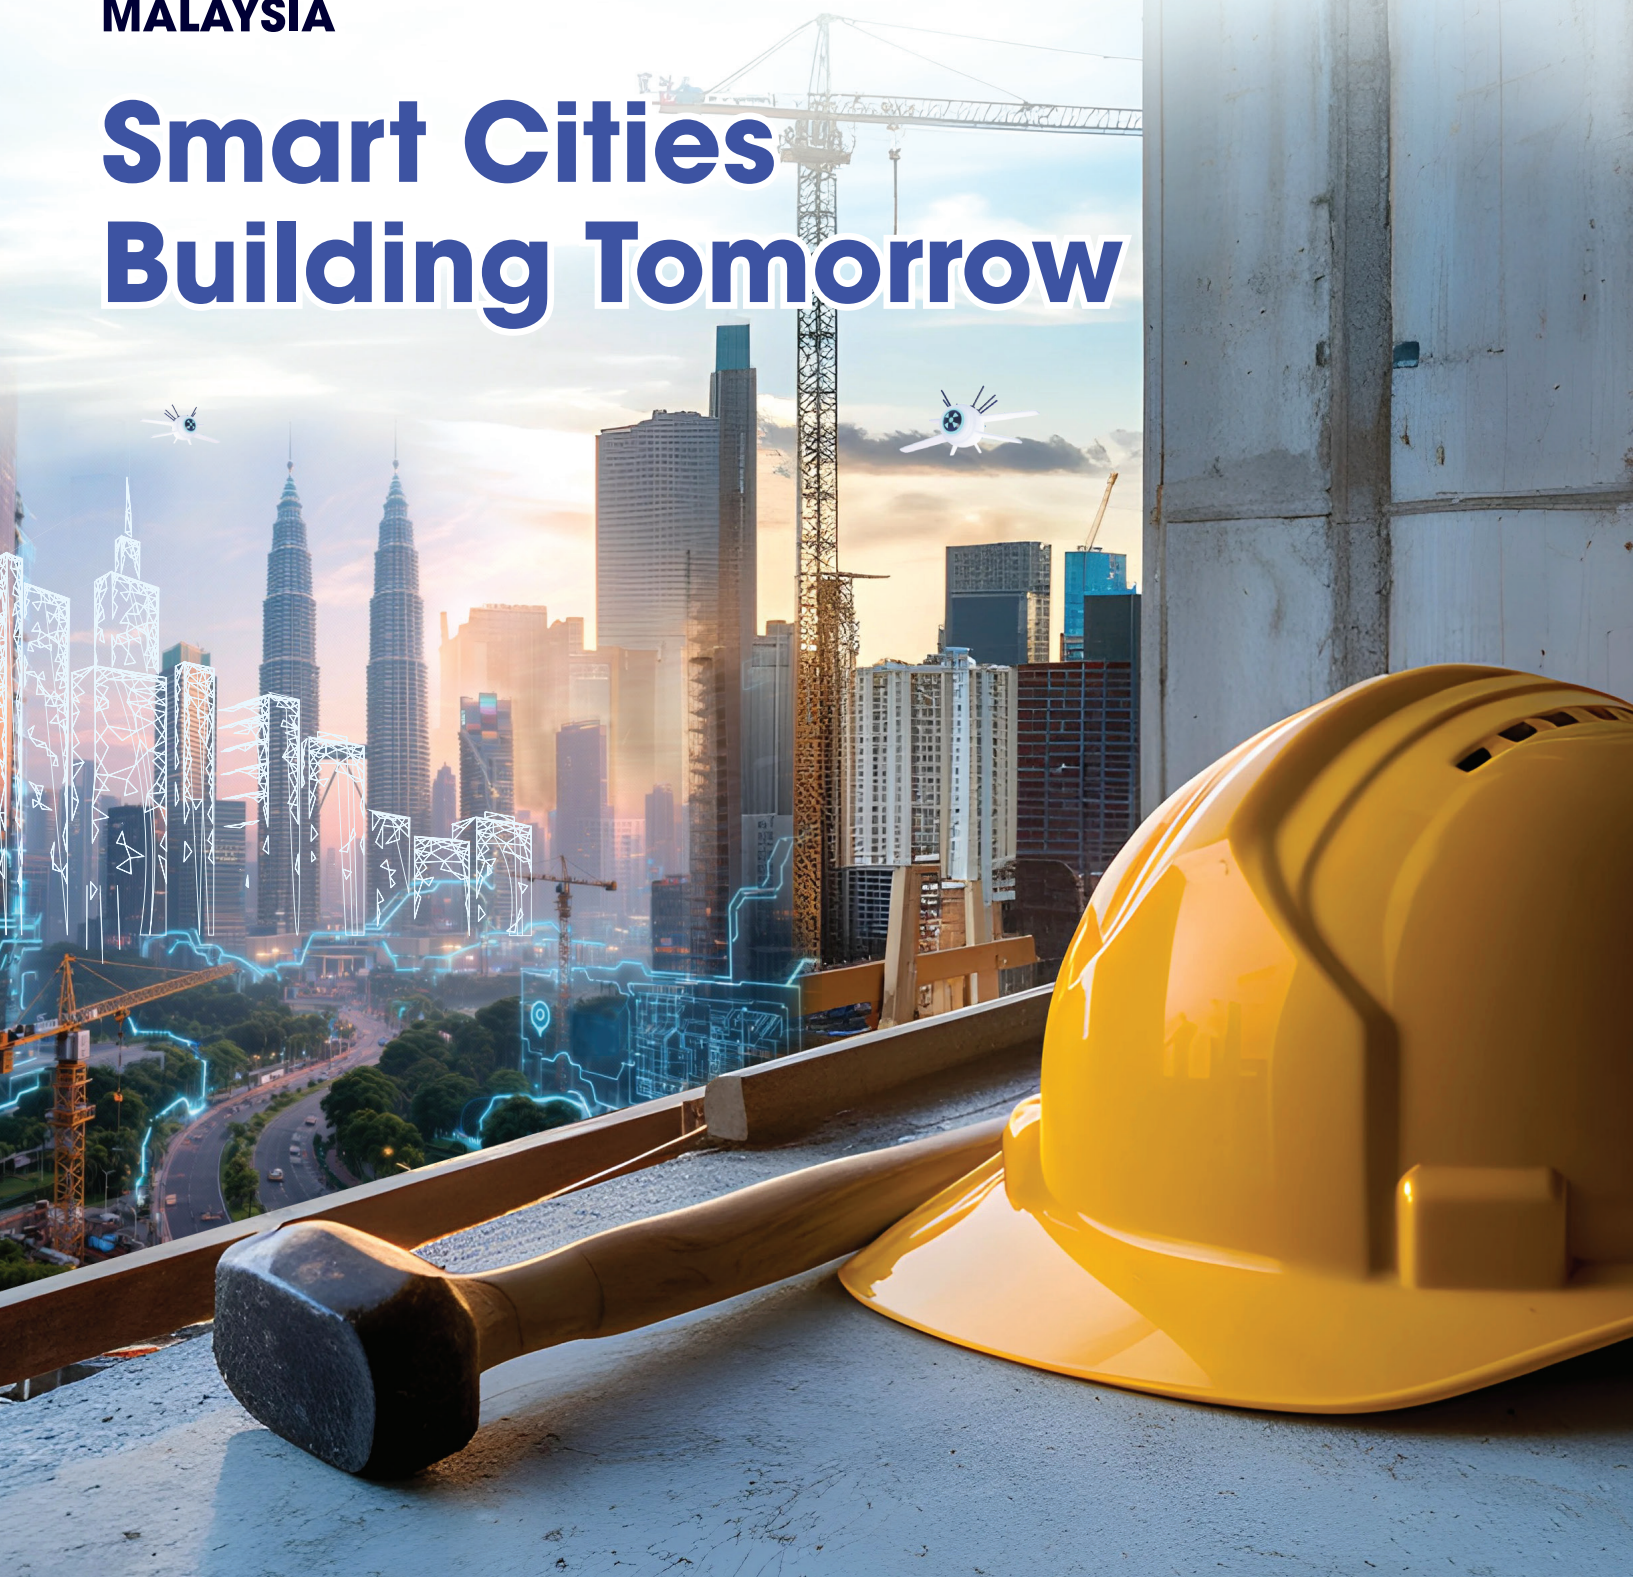

**MALAYSIA INTERNATIONAL HARDWARE
TECHNOLOGY EXHIBITION**

5-7 AUGUST 2026

**KUALA LUMPUR CONVENTION CENTRE
MALAYSIA**

Smart Cities Building Tomorrow

Smart Cities Building Tomorrow

Malaysia’s construction industry has long been the backbone of national development, building homes, cities, highways, and industries that keep the nation moving. As projects become more complex and technology continues to advance, the demand for practical, efficient, and sustainable solutions is stronger than ever.

The **Malaysia International Construction & Infrastructure Technology Exhibition (MBAM OneBuild 2026)**, now in its 12th edition, will return from **5 to 7 August 2026** at the **Kuala Lumpur Convention Centre (KLCC)**. **Co-located with OneWare**, the **Malaysia International Hardware Technology Exhibition**, the event will feature **250 exhibitors**, **400 exhibiting booths**, and **over 8,000 trade visitors**, bringing together the entire construction, infrastructure and hardware community, from major contractors and developers to machinery suppliers, hardware traders, and material manufacturers.

Under the theme **Smart Cities Building Tomorrow**, MBAM OneBuild 2026 will showcase digital construction technologies, BIM, IoT-enabled infrastructure, energy-efficient and green buildings, and intelligent mobility systems, reaffirming its position as Malaysia’s premier construction & infrastructure B2B event.

02 Infrastructure

03 Construction Machinery & Equipment

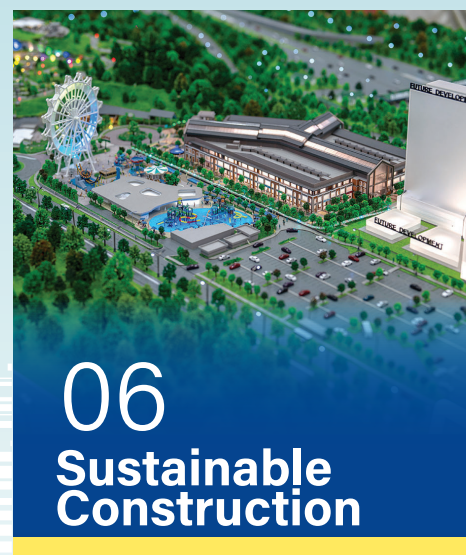

Exhibit Segments

04 Smart City

05 Digitalisation

06 Sustainable Construction

Visitor Profiles

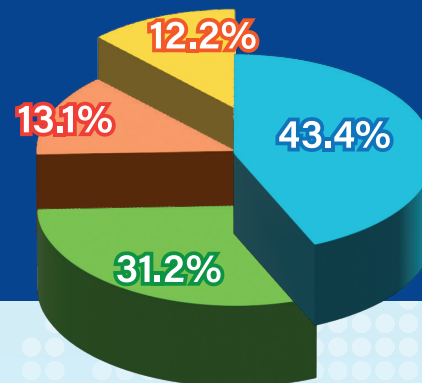

- Academics and Researchers
- Architects and Design Professionals
- Agents & Distributors
- Contractors and Builders
- Engineers and Technologists
- Entrepreneurs and Investors
- Environmental and Sustainability Experts
- Facility Managers
- Government & Regulatory Officials
- Project Managers and Planners
- Real Estate Developers
- Safety and Compliance Specialist
- Suppliers & Manufacturers
- Trade Associations and Industry Groups

Trade Visitor Insights

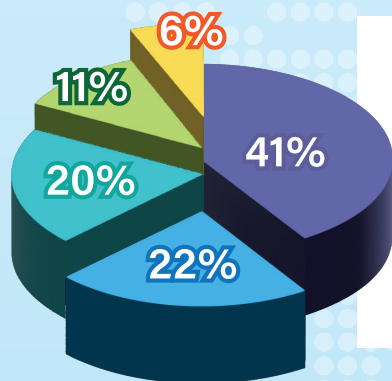

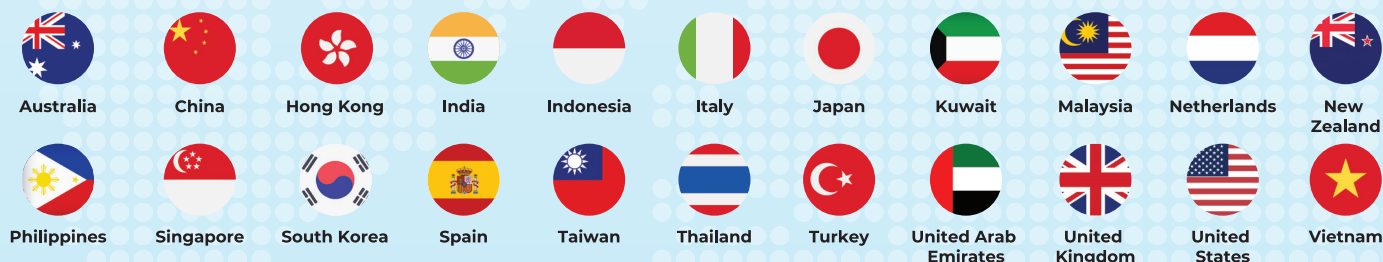

Areas of Interest

- Construction & Infrastructure
- Construction Machinery & Equipment
- Construction Hardware
- Infrastructure

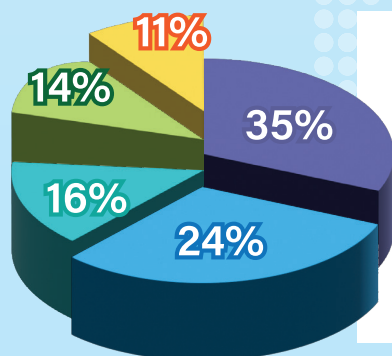

Visiting Countries and Regions

Main Business Activity

- Contractors & Builders
- Construction Machinery & Equipment
- Construction Hardware
- Distributor, Dealer and Trader
- Construction & Project Management

Job Function

- Contractors & Subcontractors
- Corporate Management (CEO, Director, Owner, GM)
- Purchasing, Procurement and Sourcing
- Engineering and Technical Management
- Business Development

More than 71% of trade visitors hold direct purchasing authority, making MBAM OneBuild a decisive sourcing platform for industry construction player and decision-makers.

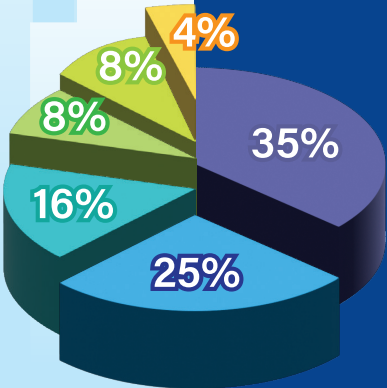

Products that Captured Attention

Top technologies and products that drew the most interest from visitors include:

Remark: Responses are cumulative; visitors may select multiple categories.

Why Visit?

- ☐ To explore new products, technologies, and solutions
- ☐ To obtain market information
- ☐ To connect with new or existing suppliers
- ☐ To attend on-site seminars or conferences
- ☐ To purchase or recommend products and services
- ☐ To establish new partnerships and distribution channels

Event Highlights

BuildTalk Seminar

Take the stage as a speaker in this three-day seminar on industrialization, sustainability, and digital transformation, and connect directly with contractors, sub-contractors, and distributors.

Product Demonstrations

Exhibitors can showcase their cutting-edge machinery, advanced equipment, and smart construction solutions to the industry professionals.

Concrete Clinic

A focused exploration into concrete innovation and durability. Learn from experts through live testing, practical solutions, and the latest advances in concrete technology.

Construction Machinery Showcase

Discover the future of heavy equipment from electric and hydrogen-powered machines to innovative simulators and autonomous technologies driving sustainable construction.

Construction Technology

Construction Technology showcases the latest digital solutions from BIM and Digital Twins to AI-driven planning, smart machinery, and energy-efficient systems.

Business Networking

Connect with builders, contractors, engineers, and industry leaders to unlock new business opportunities at Malaysia's key construction networking platform.

Hear from Our Minister

YB Dato Sri Alexander Nanta Linggi Minister of Works, Malaysia

"I would like to congratulate the organiser of MBAM OneBuild for once again successfully hosting this major exhibition dedicated to the construction, infrastructure, and hardware industries. The construction industry stands as a pillar of national development, and MBAM OneBuild plays a vital role in driving the growth and advancement of Malaysia's construction industry."

Hear from Our Exhibitors & Trade Visitors

Lim Hui Yan | Gamuda Engineering Sdn Bhd

It is our pleasure to return to MBAM OneBuild 2025. This is the right platform where all industry players from the supply chain to contractors come together to explore and witness the latest developments in the construction industry.

Dato' Yeoh Soo Keng | YTL Cement

We would like to congratulate MBAM OneBuild for the fabulous organisation of the exhibition. They have been doing an amazing job over the years, and YTL Cement, as one of Malaysia's leading cement companies, is proud to be a partner of this event.

Jon Chen | Success Materials Handling (M) Sdn Bhd

We managed to meet many potential clients through MBAM OneBuild, and over our three years of exhibiting here, many of these clients have now become our long-term buyers.

Chris Chin | Ban Ngai Rent (M) Sdn Bhd

As a rental services provider, we strongly advocate for safety and the proper use of Mobile Elevated Work Platforms (MEWP). MBAM OneBuild provides an excellent platform for us, offering ample opportunities to connect with contractors and builders from across the industry.

Mohan Gurusamy | U.S. Embassy in Kuala Lumpur, Malaysia

MBAM OneBuild is Malaysia's biggest construction trade show. Everyone who wants to participate in or support the sector is here, from contractors and sub-contractors to suppliers and manufacturers. It's a great event to meet people and learn about new developments in the market. This year's MBAM OneBuild has been amazing, every time I attend, I discover something new and see what other suppliers have to offer.

Hashim bin Abu Hussain | Local Trade Visitor

MBAM OneBuild is a great meeting place for manufacturers, industry professionals, and implementers. It's where people can get the latest updates on the construction industry and discover new technologies in building and construction. It's truly a valuable platform for business networking and connection.

Nitin Sethi | International Trade Visitor

It's my first time visiting MBAM OneBuild, and it has been a great experience with so many manufacturers from Malaysia and international participants. It's exciting to see new construction technologies, software, and AI-based innovations from China and Singapore at this event.

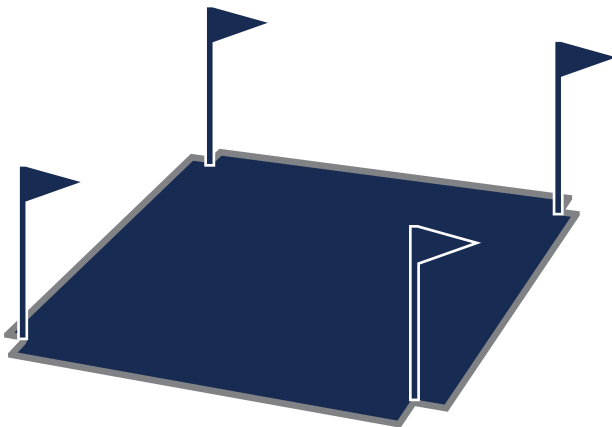

About the Venue

The Kuala Lumpur Convention Centre (KLCC) will host MBAM OneBuild 2026 from 5 to 7 August, offering an ideal venue for this prominent event in the heart of Malaysia's capital city. Situated within the integrated Kuala Lumpur City Centre precinct, KLCC is a purpose-built facility that features versatile function spaces such as auditoria, exhibition halls, and meeting rooms. Designed for seamless accessibility and efficient event execution, KLCC provides the perfect platform for MBAM OneBuild 2026 to unite industry leaders, innovators, and professionals in a dynamic environment.

Booth Specifications

Raw Space

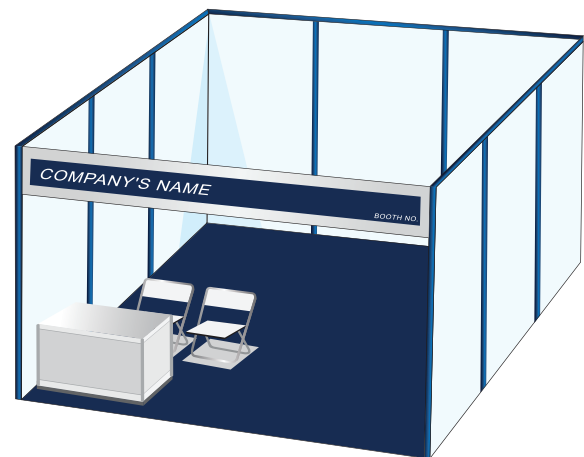

Rent a space, appoint a registered contractor, and customize your stand design to suit your needs (without carpet).

Minimum: 18 sq.m.

Raw space is provided without any fittings or carpet. The exhibitor is responsible for their own design, construction and furnishings.

Shell Scheme

This complete build-up shell scheme will minimize your stand design concerns.

Minimum: 9 sq.m.

Shell Scheme package includes:

- 1 No. 13Amp / 230V – Power Point
- Needle Punch Carpet Flooring
- Aluminum System
- White Laminated Plywood Panel
- 2 Nos. Fluorescent Tubes
- 2 Nos. Upright Chairs
- 1 No. Information Counter
- Fascia Board with Company's Name & Booth Number
- Waste Paper Basket
